## **STUDENT PHOTO COMPETITION 2018**

### **TERMS AND CONDITIONS OF ENTRY**

---

The Australian Rural Health Education Network (ARHEN) is the peak body for 15 University Departments of Rural Health (UDRHs) which support clinical placements for nursing and allied health students in rural and remote Australia.

We're joining forces for a photo competition for health students undertaking clinical placements in rural and remote locations in 2018.

The major prize is \$500 and there are 6 other chances to win cash prizes as well!

The competition theme is: **Going Rural or Remote – Going Really Well!**

**We're looking for creative entries using an aspect of your clinical placement to show you're Going Rural or Remote – Going Really Well!**

### **PRIZES! PRIZES! PRIZES!**

<b>Major prize:</b>	\$500 for the best photo overall
<b>Runner up:</b>	\$300 for the runner-up
<b>Encouragement awards:</b>	Five other prizes of \$200 each!

#### **How do I show I'm Going Rural or Remote – Going Really Well?**

Your photo should show an activity, experience or another aspect of your clinical placement – it could be something new or different (and positive!) you've discovered about rural or remote study or the possibilities of a rural or remote health career in the future.

#### **Who can enter?**

Domestic and international undergraduate and postgraduate health science/therapy students in any discipline undertaking a clinical placement through a UDRH in 2018 can enter.

***Rural Clinical School students are not eligible to enter.***

#### **Opening and Closing Dates**

The competition opens on 1 June 2018 & closes on 31 October 2018.

#### **HOW TO ENTER**

Enter online at [www.arhen.org.au](http://www.arhen.org.au). You will be required to provide your name, contact information and other details. If other people are included in your photo, you must get all of them to agree to let you use their image in your photo for the competition.

**Entries must:**

- Reflect the theme, Going Rural or Remote – Going Really Well!
- Be your own original photo taken during your 2018 clinical placement.
- Include an aspect of your 2018 rural or remote clinical placement experience.
- Include a brief description of the photo.
- Be submitted via the website and include all required information.
  - **PHOTOS MUST BE 10MB OR LESS**
  - **MAXIMUM OF 2 ENTRIES PER STUDENT**

*Prizes will be paid by electronic transfer to prize winners' nominated financial institution. ARHEN will contact winners for their account details once the competition has been decided.*

**Judging**

Entries will be judged by UDRH staff based on the following:

- overall creativity and appeal of the photo including the brief description provided
- how well the photo reflects the theme, Going Rural or Remote – Going Really Well!
- how well the photo reflects the health discipline you are studying
- how well the photo reflects positive elements of your placement experience.

Judges may decide not to award all prizes. Judges decisions are final and no correspondence will be entered into about decisions.
